563 1838 \* AM I NOT A MAN & A BROTHER \* Kneeling slave in chains.  
R UNITED STATES OF AMERICA. Within wreath, LIBERTY | 1838.  
Very fine. This token, a companion of, and co-worker to propagate the cause of freedom, with the well known, AM I NOT A WOMAN & A SISTER (number 54 in my work on the series), was first brought to the attention of collectors in 1912, when a specimen was found in Providence, the one here offered comes from Maryland.

The workmanship and type of the pair, is obviously identical, hence it is reasonable to affirm that they were executed by the same engraver and in the same period. These two I believe to be the only examples known, therefore, I judge they deserve to be ranked with the most precious and valuable in the series.

**4) Fine Details NGC.** Discovered in Canada; Philadelphia Americana Sale (Stack's 9/2011), lot 445; Poulos Family/Long Beach Signature (Heritage, 9/2019), lot 5165, realized \$19,200.
